As you will appreciate, some of these old records have faded and are difficult (sometimes impossible) to read. Where it hasn't been possible to decipher the information, a question mark has been inserted. In some instances, a "guess" has been entered with a question mark following. Where there is an "x" in the *More* column or, if you have corrections or questions concerning these transcriptions of the Parish Records, please e-mail Shannon Abbott at ShaAbbott@aol.com.
